

## Help make my dream, a reality!

### About Me

My name is Tyler Schendel, the son of Angela and the late Christopher Schendel, and I have a passion for bowling. I started my bowling journey at the age of three, joining youth leagues, and eventually getting into tournaments at the age of five. Over the years of bowling, I have accumulated several awards, trophies, plaques, medals, and the most prized possession a 300 ring for a perfect game. I have been on the Clinton High School bowling Varsity bowling team all through my high school years. Bringing home a state championship to Cougar Lanes my freshman year. I am a senior getting ready to graduate with plans to attend Marian University on a partial bowling scholarship. I will be on the bowling team for Marian, while earning a degree in Childhood Education K-8.

### Junior Gold Championships

The Junior Gold Championships is a 12-day tournament for the best of the best youth bowlers across the states. Basically, like the "Olympics" of bowling. My hard work, dedication, and commitment to the sport has earned me a spot in the Junior Gold Championships in Detroit Michigan this July.

The opportunity to bowl Junior Gold is amazing, but it also brings a hefty price tag of \$4000. I am asking for monetary donations/sponsorships to assist with travel expenses, lodging, entry fees, uniforms, equipment, and any other necessary costs. Your donation, no matter how big or small, can create a significant impact. Thank you for your consideration and support. You may contact me via phone at 608-247-1264, email [TylerSchendel05@gmail.com](mailto:TylerSchendel05@gmail.com), or stop into Cougar Lanes in Clinton, WI.
